Writing

Hi, I have a very unusual story to tell. Everything seemed normal until I went outside with a friend of mine. We went to a playground near my house. Usually it ^{doesn't} ~~didn't~~ have much people on it, but today was different. There were like ^t ~~ten~~ people. We went to another one, and guess what? That one had a lot of people too. Every single one we went to had at least five kids on it. We decided to ride our bikes, but after we took them out of our homes, there were too much people to ride the bikes. After that I suddenly woke up. Turns out it was a dream, but here's the twist: everything that happened in the dream happened in real life too. It all felt really weird. I haven't got any lesson from what ^a ~~happened~~, but that's my story.
